

## Xenazine® – Prior Authorization Request

Send completed form to: Case Review Unit CVS/caremark Specialty Programs Fax: 866-249-6155

CVS/caremark administers the prescription benefit plan for the patient identified. This patient's benefit plan requires prior authorization for certain medications in order for the drug to be covered. To make an appropriate determination, providing the most accurate diagnosis for the use of the prescribed medication is necessary. **Please respond below and fax this form to CVS/caremark toll-free at 866-249-6155.** If you have questions regarding the prior authorization, please contact CVS/caremark at **866-814-5506**. For inquiries or questions related to the patient's eligibility, drug copay or medication delivery, please contact the Specialty Customer Care Team: CaremarkConnect® 800-237-2767.
