### BlueCard®

#### Out-of-Area Program – BlueCard®

The BlueCard® Program allows members to seek care from health care providers participating in any Blues Plan across the country and abroad. The program allows participating providers to submit claims for out-of-area members to their local Blues Plan.

#### BlueCard® Member Identification

To identify Blue Card® members, look on the member's identification card for an empty suitcase, or for PPO members, a "PPO" in a suitcase. BlueCard® members also have alpha prefixes on their membership number so that the processing Plan can identify the Plan to which the member belongs.

If you see a member's ID card without an alpha prefix, call the member's home Plan. The phone number will be on the back of the ID card.

#### How the BlueCard® Program Works

If you participate with CareFirst only and the member has a contract with another Blues Plan, submit claims to CareFirst.

CareFirst will be your contact for claims submission, claims payments, adjustments, services and inquiries. Call 800-676-BLUE or log on to CareFirst Direct for eligibility information on out-of-area members.

#### BlueCard® Program Claims Submission

Submit BlueCard® claims and correspondence to:

- BlueCard® Claims  
Mail Administrator  
P.O. Box 14116  
Lexington, KY 40512-4116
- BlueCard® Correspondence  
Mail Administrator  
P.O. Box 14114  
Lexington, KY 40512-4114

#### BlueCard® Reimbursement

Once CareFirst receives the claim, it electronically routes the claim to the member's Blue Cross and Blue Shield Home Plan. After the member's home Plan processes the claim and approves the payment, you will receive payment from CareFirst.

Payment may not be sought from the member for any balances remaining after CareFirst's payment, unless it is to satisfy the member's deductible, copayment or coinsurance, or for services not covered under the member's Plan.

In some cases, a member's Plan suspends a claim because medical review or additional information is necessary. When resolution of claim suspension requires additional information from you, CareFirst may ask you for information or give the member's Plan permission to contact you directly.

#### BlueCard® and Health Care Exchanges

CareFirst members enrolled through the Exchanges will still have access to the BlueCard program.

The PPO Basic Network is a combination of BlueCard PPO networks and new Exchange networks created by certain plans. The PPO Basic Network does not affect local providers since the PPO Basic network includes all doctors and facilities that are included in the entire regional provider network.

ID cards for public Exchange members with access to the PPO Basic network will include the new "PPO B" suitcase logo, below.

The standard BlueCard PPO network is used in all but the following states where the Exchange network (PPO Basic) will be used for 2016: Alaska, Arizona,

### Contiguous Areas

In some cases, your office or facility may be located in an area where two Blue Cross and Blue Shield Plans share a county. Outlined below are processes for filing claims under these circumstances:

- If you provide care to a member from a county bordering CareFirst's service area (MD, DC, and Northern VA), you do not contract with that member's Blues Plan, submit the claim to CareFirst
- If you provide care to a member of a Blues' Plan in a county bordering CareFirst's service area and you contract with both CareFirst and the Plan in the bordering area, submit the claim to the Plan in the bordering area

### Exclusions

The Program excludes Federal Employee Health Benefit Plan (FEHBP) member claims and routine vision exam, vision correction material, dental and prescription drug coverage.

### Ancillary Claim Filing Guidelines

All Blues plans are mandated by the Blue Cross and Blue Shield Association (BCBSA) to use the following guidelines when submitting ancillary claims for Independent Clinical Lab, Durable/Home Medical Equipment and Supplies (DME), and Specialty Pharmacy providers. For specific information and a chart of claims filing examples, visit [www.carefirst.com/ancillaryclaims](http://www.carefirst.com/ancillaryclaims).

### Utilization Review

Out-of-area members are responsible for obtaining pre-authorization for their services from their Blue Cross and Blue Shield Plan. Providers may choose to contact the member's Plan on behalf of the member. If you choose to do so, refer to the phone number on the back of the member's ID card.
