

SELF-SERVICE GUIDELINES FOR DENTAL PROVIDERS

Providers and payers alike face challenges to keep high costs from limiting access to care. One way to accomplish this is to provide simple solutions for you to get quick and reliable answers to your office's administrative needs.

With that in mind, CareFirst BlueCross BlueShield (CareFirst) encourages greater use of our self-service channels. Enhancements to our Provider Portal (CareFirst Direct), voice response system (CareFirst on Call), and expanded electronic capabilities make it easier than ever for you to conduct business online with CareFirst.

Electronic claims

We strongly encourage providers to submit all claims electronically. Electronic submission can help your practice save time, money and eliminate incomplete submissions that are returned to your practice management system in an error report. We understand that certain claims require additional documentation from CareFirst and cannot be submitted electronically. However, we urge you to take advantage of all the benefits by filing electronically whenever possible, including when submitting the following types of claims:

- Initial
- Corrected
- Pre-Treatment Estimates

Your billing National Provider Identifier (NPI) must be used to identify your practice when submitting claims. Your individual and organizational NPI must be registered with CareFirst and match the information on our provider files. For more information, visit carefirst.com/dentaledi.

If you do not currently submit claims electronically, contact one of our preferred clearinghouses:

- DentalXChange at 800-576-6412 (ext. 452 for support; ext. 455 for enrollment services)
- Vyne Dental at 463-444-7547

Electronic Remittance Advice (ERA)

If you submit claims electronically, you can receive payment vouchers through an Electronic Remittance Advice (ERA 835), delivered by your clearinghouse and including the payment details, HIPAA adjustment reason codes and HIPAA remark codes necessary for you to reconcile your patient accounts. Receiving your payment information electronically allows you to realize claim resolution faster and save money. For more information and to set up ERA, please contact your clearinghouse.

Self-service options available to providers and staff

We expect our providers to use self-service channels to obtain eligibility, benefits, or claim status. When calling our service lines, your office will be prompted to use CareFirst on Call or log into CareFirst Direct to more quickly address your inquiry.

- CareFirst Direct is our on-line benefit and claims information system that provides eligibility and benefit details at your fingertips. This service can be accessed on our website, carefirst.com/carefirstdirect.
